*Salt Bay Art Supply is happy to be serving our local community of artists with curb-side pick-up during this very trying time. We take orders over the phone and run the customer's credit card while they are on the phone, thereby making sure records are held that might create problems later. We also accept local checks from known customers. Our Maine Coon Cat, Salty, greets each customer through the glass of the door when they come to pick up their order from the receptacle and is looking forward as much as we are to life returning to some kind of normal with shoppers in the store, face masks in place.*
